

Instructions for drivers

Version of **14.4.2020**

Cancels and replaces the previous version of 2.3.2020

The Aarau terminal has adopted a series of anti-contagion measures in compliance with current regulations. Drivers are required to strictly observe the below instructions.

- 1. Access to the terminal is forbidden to people with fever symptoms or who have come into contact with people infected by coronavirus**
- 2. Wear personal protective equipment (e.g. mask, gloves) provided by your company**
- 3. When entering the terminal and during the operation of check-in/delivery and pick-up of the unit, the driver must always remain in his cab**
- 4. Keep a distance of at least 2 meters from all other people**
- 5. Use the gloves and disinfectant material at your disposal**
- 6. Entrance to the counter is allowed to a max. of 1 person at a time**
- 7. Access to restrooms and/or vending machines is allowed to a max. of 1 person at a time**
- 8. The signs (including ground signs) and instructions given by Hupac personnel must be strictly observed**
- 9. We remind you that it is absolutely forbidden to take photographs or video footage.**

COVID-19 - Behaviors to follow

Often wash your hands

with soap and water or alcohol-based hand rub

Avoid contact with people suffering from respiratory infections

Keep at least 2 meters away

Avoid touching eyes, nose or mouth with your hands

Cover mouth and nose if you sneeze or cough

Cough or sneeze in a tissue or, if not available, in the elbow crease

Avoid crowded places

e.g. sports events or public transport

Clean surfaces with chlorine or alcohol-based disinfectants

Follow the instructions and recommendations locally provided

In case of symptoms (respiratory disorders, cough or fever), do not go out in public and contact a doctor or hospital immediately – at first by phone
