

Charges – Terminal Piacenza

Shunting and services	Price
Flat shunting The tariff is applied and accounted for only for trains arriving in the marshalling yard	EUR 462,15
Block train terminalisation The tariff is applied and accounted for both the entry (incoming trains) and exit (outgoing trains) to and from the freight terminal/junction	EUR 359,45
Terminalisation with train formation/splitting The tariff is applied and accounted for both the entry (incoming trains) and exit (outgoing trains) to and from the freight terminal/junction	EUR 513,50
Locomotive coupling	EUR 16,40
Locomotive uncoupling	EUR 16,40
Removal of rear-end signals	EUR 12,30
Application of rear-end signals	EUR 12,30
Removal or addition of a train car/wagon or a set of adjacent train cars/wagons	EUR 102,70
Driving of a locomotive	EUR 410,80
Special formation/splitting	EUR 179,70

Other movements between siding and/or terminals	EUR 179,70
---	------------

- Tariffs for services performed outside the regular working hours (please see point 6) will be increased by 10%
Any extra costs, incurred by TPI for additional trains which lead to changes in the TPI organisational structure or variations in the planned operation of trains that lead to extra movements (e.g. train cancellations, holiday, etc.), will be charged.
- The tariffs are subject to annual adjustments in accordance with the ISTAT Italian consumer price index.
- TPI will send every week a final balance of the services provided during the previous week. After 5 working days, in absence of objections, the final balance shall be deemed to be accepted.
- Payment is due within 60 days of the invoice date.
- Regular working hours are defined as Monday to Saturday from 04:00 to 23:00. On holidays, TPI will give at least 48 hours' notice of any changes in working time or suspension of the activities. In this case, no penalty will be charged on TPI.
