Temporary storage rules

1. Vehicles arriving by train at the terminal have to be picked up as soon as possible.
2. If the vehicle cannot be picked up immediately, it could be stored at the terminal free of charge during the day of arrival and the following working day. Hupac will grant an exception for the units arrived on Friday and picked-up within Monday evening: in this particular case Hupac will not charge any storage fee for the weekend.
3. If the above-mentioned time has expired (day of arrival + one working day), an amount will be collected according to the table "Fees per calendar day". Fractions of a day are considered a whole day. During the storage period, holidays and days, on which the terminal is closed, are also charged.
4. Vehicles carrying dangerous goods (full or empty) have to be immediately picked-up. In any case, according to the Antwerp Port Authority rules they can be stored for a maximum of 10 days from the day of arrival.
5. Vehicles departing by train have to be delivered on the day of departure. Otherwise, storage fees will be charged from the day of delivery until the day of departure (not included).
6. Invoices will be issued monthly to the consignee (according to the liberalization). Payment is due within 30 days of the invoice date.
